

# Membership Chairman

**Goal:** To develop a formal process for improving member participation and committee responsibilities from year to year.

## **Duties and Responsibilities:**

- Send renewal packets to previous members with updates on the association to include recent newsletters
- Send a complimentary registration for an ANGA meeting to encourage membership (as needed)
- Create introductory letter and member packet

## **Action Items:**

- Develop an analysis of values and services obtained by belonging to ANGA.
- Develop a list of all natural gas distribution systems in Alabama and monitor and encourage membership in ANGA
- At least annually, evaluate and solicit affiliated organizations that may add or obtain value to or from ANGA
- Retention of members and proactively engaging members who drop out to regain them back as members
